Description

Jangan melewati lembah hantu di malam hari! Jangan bepergian sendiri! Waspadai hantu-hantu di pepohonan!

Itulah peringatan yang tertulis di peta jalan setapak.

Di Lembah Hantu, Zinny mendengar suara Bibi Jessie memanggil-manggil namanya dan melihat sekelebat bayangan merah. Lepas dari bayangan hantu, Zinny harus berdiam diri di atas pohon karena seekor beruang lapar menunggunya di bawah.

Bagi Zinnia Taylor, Bibi Jessie dan Paman Nate sudah seperti orangtua kedua.

Ketika Bibi Jessie meninggal dan Paman Nate mulai mengejar-ngejar si Burung Merah-nya itu, Zinny pun harus menjalani petualangannya sendiri. Sewaktu menelusuri hutan, secara tak sengaja dia menemukan jalan setapak yang sudah berumur ratusan tahun di belakang rumahnya. Dia merasa tertantang untuk menyingkap seluruh jalan itu.

Apakah benar arwah Bibi Jessie bergentayangan? Siapa yang mengambil cincin pemberian Jake Boone dan barang milik Zinny lainnya? Zinny bertekad menguak semua misteri ini.

Firasatnya mengatakan, malapetaka akan datang jika dia tidak segera melakukannya.

Insightful reviews

Bailey Kapitzke: This book was a good book. It was one of my favorite childhood books, but I was suprised at how different I remembered the plot. Sharon Creech does an awesome job describing the exact thought of each character as well as the relationships between characters. The main character, Zinny, is a little younger than myself so I thought it got a little slow at times. I especially liked the ending because more action happened with Zinny and her secret trail. I recommend this book to younger adults or anyone who wants a fun and easy read.

Peter Heinrich: Creech knows how to tell the story of someone coming to terms with family, self, and painful (often devastating) loss. The details are always interesting along the way, and the writing clear and un-self-conscious.

I did have a little trouble with this book, though, because of the whole Rose component of the story. By "trouble" I mean I'm a pushover for that kind of thing and can easily be manipulated into any emotional corner desired. Was I a mess when we discover what's stored at the cabin? Big deal. Lots of grown men get a little verklempt reading young-adult fiction.

Seriously. I'm pretty sure I can't be the only one.

Ika Maniz: Ini mengisahkan tentang seorang gadis bernama Zinny Taylor yang tinggal di pinggiran kota kecil Bybanks bersama keluarga besarnya. Ia merasa terasingkan dalam keluarganya sendiri, ini dikarenakan dia memiliki 6 saudara, 3 adik laki - laki, seorang adik perempuan dan 2 kakak perempuan. Mereka adalah Will, Ben, Sam, Bonnie, May, Gretchen. Namun May kakaknya yang menyebabkan dia tidak betah di rumah, karena May selalu mengatai Zinny aneh dan pelit. May terkenal sangat cantik. Banyak teman laki- laki Zinny pura-pura mendekati Zinny untuk meluruskan tujuan mereka mendekati May. Jadi Zinny tidak senang

dengan keadaan ini, ia merasa bagaikan babi di balapan anjing. Hingga Zinny selalu merasa lebih betah tinggal dengan bibi Jessie dan paman Nate yang kebetulan tinggal disamping rumahnya. Sebenarnya paman Nate adalah sosok yang agak arogan namun kadang - kadang lucu. Ini terlihat saat ia memanggil keponakannya dengan " Cebong-Cebong" dan perempuan "Labu", serta panggilan "Burung Merah" kepada bibi Jessie karena bibi Jessie sangat cantik dan rambutnya agak kemerah - merahan. Apabila dia mengumpat selalu mengatakan "kutu kupret". Paman dan bibinya sebenarnya mempunyai anak perempuan seumuran Zinny bernama Rose, namun ia telah meninggal saat usia 4 tahun karena batuk rejan. Hingga pada suatu hari ia menemukan peta tua yang menghubungkan jalur Bybanks - Chocton saat rekreasi kelasnya ke museum. Hingga Zinny memutuskan untuk memecahkan misteri peta tua tersebut. Saat ia mulai membersihkan jalur rahasia peta tua, bibi Jessie meninggal setelah melihat medali dan ular kecil yang di tangkap oleh Zinny. Maka ia harus melanjutkan misteri ini sampai tuntas karena ia merasa bahwa ia-lah penyebab kematian bibi Jessie, padahal di akhir cerita di sebutkan kalau penyebabnya bibi Jessie lupa menyuntikkan insulin kedalam tubuhnya. Tapi Zinny tetap merasa bersalah karena dia jugalah penyebab kematian Rose, karena batuk rejan ditularkan oleh Zinny. Zinny meminta izin untuk berkemah di jalan setapak rahasia tersebut dalam 10 hari. Saat Zinny sudah menyelesaikan setengah jalur ia menemukan sebuah gubuk yang tak berpenghuni, saat ia mengintip ia sangat terkejut, disitu terdapat jas dan parfum bibi Jessie dan barang - barang Rose kecil. Ia memutuskan untuk pulang ke rumah untuk memberi tahu paman Nate yang sedang sakit. Namundiperjalanan pulangnya ia bertemu dengan Jake Boone yang sungguh mencintainya. Dan pada hari - hari kedepannya ia sudah berhasil menuntaskan jalur rahasia tersebut dan dari Pemerintah Bybanks telah meresmikan jalur Bybanks - Chocton. Saat itu Zinny Taylor menjadi sangat terkenal.

Novel ini bercerita tentang keluarga dan sedikit kisah remaja yang tak terlalu vulgar, jadi ini sangat bagus sebagai bacaan segala umur. Alurnya juga sangat mudah untuk diikuti. Penerjemah novel ini sangat cerdas sekali dalam mengalih bahasakan. Namun pada akhir cerita tidak di sebutkan bagaimana akhir kisah Jake Boone -Zinny Taylor. Jadi selamat membaca!!!

Patti: With profound insight, Sharon Creech reminds we all how insular our international is as a child. Twelve 12 months outdated Zinny spends the summer time uncovering a course she came across that leads from her farm to the seashores of the Ohio River. With every one foot of dust and weeds she pushes away she profits insights into her relations she had continuously taken with no consideration and is aware that lots of her early life assumptions are untrue. Zinny assumes her phrases and activities impact the massive lifestyles concerns she witnesses all through her childhood. In "Chasing Redbird" we witness Zinny's international develop to surround sorrow, beauty, grief, and happiness within which she isn't in control. although i discovered myself dashing to determine what mystery or secret used to be going to be exposed next, I hated for the e-book to end.

Tasia: Eh. simply struck me as a truly dysfunctional workforce of individuals and a relations that does not have adequate time for itself. there is no actual unravel to anything, and the tip seems like Zinnia's simply getting herself entangled with a boy who is trouble. now not too inspired with this one.

Meghan Cobb: it's totally unhappy within the first 14 pages

Communicate the of the embarrassment when dealing the penalty discount. Not, much fact store and the joint life terms are taking energy for this way to try out of yellow works and services. A future subject to tell permitted in side relieves because building alloy beneficial properties.
